

## **CORPORATE & GENERAL AIR CHARTER**

**NOW AVAILABLE FROM  
MOORABBIN AIRPORT**

**(SERVICING THE SOUTH  
EAST SUBURBS)**

Kirkhope Aviation now offer a turbine pressurized 11 seat aircraft as well as their current piston fleet. Travel in style to your next business conference or to visit your clients in the "world proven" and most popular KingAir aircraft.

A business air charter allows you to select your own schedule. The flights often save the extra one or two days of accommodation. Also it is often easy to have multiple destinations in the one day which may suit certain business clients.

Destinations include Victorian country towns that may be difficult to reach commercially and to all other states of Australia..

The Kingair travels at 550 km/hr... typical flight times are:

Victorian towns	30-45 minutes
Sydney, Hobart or Adelaide	1.5 hrs
Brisbane, Alice Springs	3 hours

Also available are non business activities such as:

- one day golf trips to the fabulous Barnboughle golf course... only 1 hour
- transfers to Hotham/Dinner Plains ski fields... only 40 minutes.
- weekends at a luxury bush safari resort in the Gawler Ranges... 2 hours

**Departure is from our lounge at Moorabbin Airport** ... only meters from your aircraft for quick and easy access. It is also possible to pick up from nearby locations such as Essendon.
